Foire Santé 2011 Invites Participation to Francophone Health Fair

SUDBURY – Planification communautaire du Grand Sudbury is pleased to announce that plans are well underway for the 2011 Foire Santé, the annual Francophone fair showcasing area health services.

“Thanks to funding received from Service Canada, we have hired a full-time coordinator, Ms. Judith Kambanda, for a period of four months. Judith is responsible for the event’s schedule, interactive stands and sponsors, in other words for planning the entire event!” explains Kim Morris, Co-President of Foire Santé. “Service Canada has also provided funding to promote the event and to hire an assistant for an eight-week period.”

Foire Santé 2011 will be held on October 21st and 22nd at Collège Boréal. The fair is co-sponsored by Collège Boréal and the North-East Community Care Access Centre (CCAC). It will be open to the general public, including students.

“The detailed schedule will be published shortly and will be available through the web sites of the North-East CCAC, Collège Boréal and Planification communautaire du Grand Sudbury,” adds Paul-André Gauthier, Co-President. “We have some surprises in store. Table Santé, the event’s organizing committee, is very pleased with the interest that Foire Santé has raised in our community.”

Judith Kambanda is currently recruiting sponsors and exhibitors for the interactive stands. If you would like to participate, please contact Judith directly by phone at 705.560.6673, ext. 3415 or by email at judith.kambanda@collegeboreal.ca.
